

Material:

- Rod guide (A): Glass fibre reinforced polyamide (PA6GF30), black.
- Nut: Steel, zinc plated.
- Rod guide (B): Bracket: Steel, zinc plated or stainless steel (304).
- Bushing (C): Glass fibre reinforced polyamide (PA6GF30), black.
- Adapter (D): Zinc die-cast, zinc plated or stainless steel (304).

References, Accessories:

Please refer to rods for latch system Vision Classic: 1-008.52, 1-008.53a/b.

Notes, Tests:

- A is the distance between the inside face of the door and the rod.
- Rod bushing (C) for other applications or rod guides.
- Rod adapter (D) for rod type R, adds 14 mm to the total length.

Version A

Rod guide with cast-in M6-nut, for round Ø 8 mm rod. For weld-on stud or screw. The opening allows the flat end through the rod guide.

Version B

Rod guide supplied with Polyamide bushing, for low friction and silent movement of the rod. For screw-on or weld-on mounting.

Rod bushing (C) for other applications or rod guides.

Rod adapter (D) for rod type R, adds 14 mm to the total length.
