Conference & Trade Show 2022

30 June – 2 July, Rutherford Hotel, Nelson

The annual conference is the only trade show for NZ Industrial Textiles and Equipment Suppliers to be in one place at one time. It is a great platform to establish new business relationships and share information. Every year the conference is in a new location, giving our members a chance to see the country, our people and national business opportunities.

There is a fabulous line up of speakers at the Fabricator Workshop and Conference. Don't Miss Out. For more details visit www.ofpanz.co.nz
