## Black Acrylic Canvas - the leading choice

While colour trends may come and go, black acrylic canvas consistently remains the most popular choice

Despite the rise in popularity of grey, beige and greige fabrics along with other colour trends, black acrylic canvas continues to be the number one choice for customers. That's why we keep such a wide variety on hand, from coated and uncoated finishes to plain and textured styles, available in both narrow and wide widths. With so many options in stock, finding the right product is easy.

And for those wanting something a little different, we have plenty of other colours available too.

RECacril by Recasens is a marine quality canvas that is part of our Boatmaster® range. It is suitable for use on boat canopies, covers and awnings. 100% Solution dyed acrylic canvas, with double sided fluorocarbon finish.

UV resistant and outstanding colour fastness level (7/8). 10 year limited warranty, 8 years in marine applications. Available in 1.2 metre, 1.5 metre, 2 metre and 2.5 metre widths.

RECsystem by Recasens is a marine quality canvas that is part of our Boatmaster® range. It is suitable for use on boat canopies, covers and awnings. Waterproof UV resistant solution dyed acrylic canvas. 8 year limited warranty.

Available in 1.5 metre and 2 metre widths

## Caribbean Hull Liner

Needle punched, melded, and UV treated, this moisture and UV resistant liner helps to prevent the growth of mildew and mould, contributes to noise reduction, and is highly resistant to abrasion.

Available in 3 colours Fog, Graphite and Storm
