Stirling Carpet by Knox

- Suitable for car, truck, van and ute interiors. Nylon fibre with polyethylene backing. Made from European yarn.
- Commonly referred to as CUT PILE, our Plush Pile is manufactured so that there are no loops, therefore creating a feel that is soft and luscious in appearance. Plush Pile is generally used in most vehicles from the mid 1980's to the present day. Plush uses a similar construction process to Loop pile but with a much higher yarn density of 750 grams per square meter. Available in 6 colours.

CPCP10__

- Our LOOP PILE offers a simple but affluent appearance while also providing durability and permanence. This style of carpet was most commonly used in vehicles from the 1960's up until the mid-1980's. Available in Black.
