Proudly New Zealand owned since 1923

Slikfit Buttonless Tonneau System

Slikfit is a buttonless tonneau system which eliminates the need for rivets along the side of the vehicle body. 3 part system.

UTSFP, UTSFA and UTSFR

Coats Helios P M10 PTFE

A high performance thread made from 100% polytetrafluoroethylene (PTFE) that offers chemical, heat and UV resistance. Suitable for use in the production of outdoor goods like awnings, shade sails and boat covers. 8kg breaking strain. 15 year warranty. 1kg approx.

TRH10BK/TRH10WT

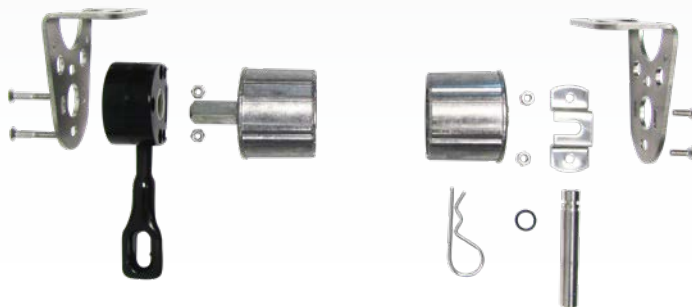

Gear Box Kits 6.1 ratio

Available in Black and White and with the option of plastic ends. The kit includes the Llaza 6:1 gearbox, which are also sold separately.

Gear box kits AWGBK__

We stock both 10:1 and 6:1 Llaza gearboxes in Black and White.

AWGB__

The Llaza difference

The central part of the Llaza gear box is made of brass, which provides more durability than other gearboxes made of zinc and aluminum.

The milling of the bronze pinion (gear) allows a smaller helix (cylinder) angle rather than having to produce larger ones in aluminium for strength.

The hook of the gearbox is made of steel covered by polyamide.
