June is going to be a very busy month for us. We have a team of nine going across to the Gold Coast to attend the Specialised Textiles Association and Blind Manufacturers Association of Australia Expo and Trade Show. At the show we will be catching up with a number of our overseas suppliers where we will be looking at any new products they have on show. If you are heading over to the SuperExpo we hope to catch up with you either in the conference centre or at the Kiwi night on Thursday the 13th.

Bostik® Unigrip 999 HR

Heat activated, high strength PVC adhesive. Suitable for use on PVC inflatable boats, truck sidings and tarpaulins, and general PVC use. Easily brushable, Unigrip 999 has low odour (keytone solvents used) and is specially stabilized against excessive and early yellowing and staining due to sunlight.

Available in 1l, 4L and 20L

ADEBUG_ _

Bostik® Solvent No.4

Strong, thinning solvent. Used to thin or reactivate urethane- or nitrile-based adhesives. Also used to remove dried adhesives from a variety of surfaces and to clean PVC prior to cementing with adhesives.

Available in 1L, 4L and 20L
