## Forte™ Sports Topping

- PVC based convertible topping product line.
- The 100% solution dyed black polyester backing mimics the look, feel, elongation and bonding properties of cotton, without the characteristic tenderization and loss of strength over time that is typically associated with cotton backings. This new polyester backing also imparts superior tear resistance and dimensional stability.
- 152 cm wide.

TPBBST152

## SS Ratchet Tensioner

- Manufactured from Stainless Steel for corrosion resistance and durability.
- Suits 25mm webbing.

MECSSR25

SUPER SPECIAL

## OF PANZ conference 2022

Thanks to all those that attended and that took the time to visit our display stand and talk with our team about the products we had on display and others in our extensive ranges that make up our Outdoor Concepts and Progressive Textiles divisions.

Also a shout out to those who came from Australia and other parts of the world. Their presence shows the recognition that our industry receives from beyond our shores.
