Our area managers are back on the road and they are really looking forward to seeing you our customers again. They will of course be making contact with you to make sure you are happy to see them, if not we totally understand.

Talk to your Area Manager or our customer services team about some great deals we can offer on the products in this newsletter.

We would like to thank you for your support over these challenging times and if we can be of assistance please don't hesitate to contact us.

Debris Mesh

Polypropylene yarn. High UV & chlorine resistance, allows water to pass through but not leaves or large particles etc. Ideal for use as swimming pool mesh, debris mesh, sand pit covers and skip bin covers.. 183cm wide Available in Green and Blue.

SWFAB/SWFAB2

Here are two convenient options to tie down the debris mesh.
